## The Barnaul Spiritual Seminary

is currently accepting applications for two programs:

**I. 48.03.01 Theology (in-class learning) — 4 year course of study.** Requires either results from EGE testing in History of the Fatherland and Russian Language, or a diploma from previous higher or middle professional educational institution.

**II. Preparation of clerics and religious personnel for religious organizations (in-class and distance learning) — 4-5 year course of study.** Requires an attestation from a middle professional educational institution. Applicants without EGE scores may prepare for the EGE in the Seminary's preparational course.

**Necessary for admission:**

- A recommendation from a priest, but if the applicant is from outside the Barnaul Eparxy, a recommendation from the local Bishop is required.
- The full list of required documents and other stipulations for acceptance are located on the Seminary's site at <https://altay-seminary.ru/>.

Stipends and grants are provided for scientific work.

Gym and training room is available.

Seminary students regularly participate in pilgrimage excursions, cultural events and trips to the

The Barnaul Spiritual Seminary began in 2008. Over the past years nearly 300 students received diplomas. The majority of graduates become priests, further their studies in master's programs at Seminaries in Moscow or Saint-Petersburg, become church rectors and managers of departments at the diocesan level.
